

## NAVY CHILDREN SCHOOL 104 AREA

### ACTIVITY REPORT FOR THE MONTH OF DECEMBER 2023

#### **I. SPECIAL ASSEMBLIES**

##### **1. International Students Day:**

International Students Day is observed every year to create awareness about problems faced by the students, honour their efforts in getting an education and respecting multiculturalism and diversity.

A special assembly was performed on 19<sup>th</sup> December 2023 to celebrate the event. The theme and importance of the day were presented by the students of 4<sup>th</sup> class. The children danced wonderfully to the tunes of the song – “WE ARE THE DREAMERS” and also presented various quotes using Placards.

**Thought of the day:** “Education is the passport to the future for tomorrow that belongs to the people who prepare for today.”

##### **2. Constitution Day:**

Constitution Day, also known as *Samvidhan Divas*, is celebrated in India on 26<sup>th</sup> November every year to commemorate the adoption of the Constitution of India.

On 21<sup>st</sup> December 2023, a special assembly was performed by the students of class 6<sup>th</sup> to celebrate the “Constitution Day”. The event began with the pledge taking ceremony, followed by presentation of various slogans and quotes on the Placards. The students also dressed up as various politicians and presented a wonderful skit. The event concluded with a beautiful dance performance by the 6<sup>th</sup> class students.

**Thought of the day:** “The glory of Justice and the majesty of Law are not just created by the constitution, nor by courts nor by the officers, nor by the lawyers, but by the men/women who constitute our society and who all are protectors of law as they themselves are protected by the law.”

##### **3. National Mathematics Day:**

The National Mathematics Day is observed on December 22<sup>nd</sup> each year to commemorate the birth anniversary of the great Indian mathematician Srinivasa Ramanujan.

On 22<sup>nd</sup> December 2023, the students of class 8th conducted a special assembly to celebrate the National Mathematics Day. The programme began with the presentation of the introduction and importance of National Mathematics Day. The life history, discoveries and achievements of Dr. Srinivasa Ramanujan were also presented. It was followed by a wonderful rap song on Mathematics. Later, a skit with the title "Mathematics Symposium" was performed. The event concluded with a pledge.

**Thought for the day:** " Life is a math equation, to gain the most you have to know how to convert negatives into positives."

## **II. Special assembly by KG**

1. **Christmas Day** : Programme of Christmas special assembly was started with welcoming speech on the importance of the day. A skit was performed on Jesus Christ birth by children of UKG. A song was sung by children - Joy to the World. A small surprise was given to children by Santa Claus. A group dance was performed by UKG children. Teacher's were given a greeting cards by Children.
