Dear Parent,

Due to unforeseen technical issues with our server, some parents may have experienced difficulties with fee payment processing. We sincerely apologize for inconvenience this may have caused.

In light of this issue, we have decided to **extend the fee payment deadline to 30th April, 2024 without late fine.**

We kindly request to make online payment by the new deadline to ensure timely processing. If you have already made the payment and received confirmation, please ignore this message. Thank you for your understanding and cooperation.
